PROSPECTIVE GRADUATE STUDENT DAYS
JULY 14TH AND 15TH**

Competitive academic summer research programs such as Ronald E. McNair, Leadership Alliance and similar programs are strongly encouraged to attend. Individuals not associated with a program but would like to attend must meet a minimum academic requirement and have demonstrated examples of commitment to pursuing a graduate education. **There is free room and board for all accepted attendees.** Travel to the Boston Metro area is the responsibility of the program or individual. All are welcome who meet these requirements. Space is limited.
